

# THE TEMPEST –

# THE CAST

**ALONSO:** *Alex Almond*

I have enjoyed working with other people on this project and put a lot of effort into it.

I hope it all pays off.

**ANTONIO:** *Ryan Brodie*

After a slow start I struggled to get focused this year and needed a lot of encouragement from my teachers.

I am now excited and ready to put on a great show.

**SEBASTIAN:** *Sam Birkenshaw*

It's been fun. I've enjoyed playing the part of a criminal as it gives me the chance to step outside of myself.

**TRINCULO:** *Connor Davie*

Being part of *The Tempest* has really developed my acting skills. I like playing the part of Trinculo because I can be silly and over the top!

**MIRANDA:** *Jessica Reid*

As a whole experience I've found it at times overwhelming but overall very fun. It has also been great getting to know some older students I didn't know beforehand. I have also enjoyed getting to know Kiz.

I can't wait to perform now!

**ARIEL:** *Harrison Kirk*

I am the main Ariel in the cast. I have also been helping the other Ariels learn their lines!

I've really enjoyed rehearsing for *The Tempest* and I'm looking forward to see how people react to the play, and how much they enjoy it!

**STEPHANO:** *Charlie Graham*

I feel nervous as it is the first time I have acted in front of a large audience.

I like playing Stephano because I can take charge and be bossy.

**FERDINAND:** *Thomas Smith*

I am playing the role of Ferdinand. I had a big challenge learning my lines as I stepped into the rehearsal process much later than the rest of the cast! I have been performing and developing my acting skills during rehearsals. It's been great to have a laugh with my friend, and getting to know the rest of the cast. I can't wait to give it my best during the run, have fun, and try to make people laugh during my scenes!

**CAPTAIN & ARIEL SPIRIT:** *Connor McLaary*

I've been playing the role of the Captain and Ariel.

I've really enjoyed it and I've spent a lot of time practising my lines. I'm looking forward to trying my best during the show and having fun!

**SAILOR & ARIEL SPIRIT:** *Jamie Glancey*

It is a good experience and lots of fun. My favourite part is the shipwreck scene. I have enjoyed learning my lines and working with students in other classes.

The finished result with the costumes, lighting and scenery will be very exciting.

**ARIEL SPIRIT:** *Amy Davison*

Being in the play was scary at first as it was something new but the closer we get to the performance the more excited I am.

**GONZALO:** *Thomas Brunton*

I doubted my acting skills and wasn't sure if I could play the part of Gonzalo, but the rest of the cast seem to think I'm pretty good.

I have enjoyed working with the older more experienced students who have helped and given me advice.

**CALIBAN:** *Daniel Hoare*

I think this is a very enjoyable and new experience. My favourite part is meeting and working with other students who I don't normally see.

The performance has come around quickly and I think it is going to look very professional. I was not expecting to wear such a weird costume!

**PROSPERO:** *John Bell*

I was excited about starting a new Shakespeare play. It has been fun working out ways to make the scenes come to life. It is going to be a great thing to watch and see.
